Subject: RE: Order SPERO

Dear Carmen,

I understand that the price of the Model: CH803J \$ 146.46 a piece is with the 1.5mtr hose, so to increase the length mtr makes a price of : \$ 155.91 a unit.

So this means that 2.5mtr extra hose cost \$ 9.45

This will mean that with the Model: CH602 \$ 125.08 a piece, with 2.5mtr extra hose will cost: $125.08 + \$9.45 = \134.53 charged us \$ 50.27 to much.

You have charged us for the Model: CH602 a unit price of \$ 184.80 instead of the correct price of \$134.53, which means charged us \$ 50.27 to much.

So we paid for 22units \$ 1105.94 to much because you charged us the wrong unit price on the invoice.

We all can make mistakes, so it is no problem. These things can happen.

Please be so kind to transfer the \$ 1105.94 back to our account.

Kind regards, 祝福
Mr. Jeffrey Witteveen

Many thanks and best regards,

Maggie Wang

Dear Maggie,

Nice to meet you!!

I would like to talk to you about the mistake on the invoice from past order.

I don't know if you are aware of this, but Carmen still needed to provide me a credit note of the too much paid amount of money that she charged us for the CH602.

Please find attached the invoice of past order with the wrongly charged price for the CH602 of \$184.80.

- 22 units x CH602 2000Watt - Charged price \$ 184.80 - Correct price should be: \$ 125.08

So in total we paid \$ 1313.84 too much.

Please be so kind to deduct this amount on our next order.

Kind regards, 祝福
